Growing Society Teams With Association Management Company

MOUNT LAUREL, N.J. – Association Headquarters, Inc. (AH), an association management company based in Mount Laurel, N.J., is pleased to announce the American Society of Hand Therapists (ASHT) as a new client partner.

ASHT is a professional organization comprised of licensed occupational and physical therapists who specialize in the evaluation and rehabilitation of the upper extremity (hands and arms). With over 3,200 members, ASHT serves the profession by providing networking, education, and publications, with the mission of being “the recognized leader in advancing the science and practice of hand therapy through education, advocacy, research and clinical standards.”

AH, an association management company with more than 30 years of non-profit experience, will provide comprehensive management services to ASHT. This strategic partnership will assist ASHT in the day-to-day operations of the society, as well as supporting the long-term growth and strategic direction of the organization. Through this new partnership, AH will provide ASHT with a full range of management services, including: executive and administrative support, financial management, meeting management, marketing, communications, and membership services.

“ASHT is looking forward to an exciting and dynamic partnership with AH,” stated Peggy Boineau, OTR, CHT, President of ASHT. “This new opportunity will enable us to further serve our membership, and thrive for years to come.”

A leading association management company since 1978, AH provides associations, voluntary organizations, and medical societies with professional management services tailored to the needs of membership.

For more information about the ASHT or AH, please call 856-439-0500 or visit www.associationheadquarters.com.
