**The International Energy Credit Association (IECA) Partners with
Association Headquarters, Inc. (AH)**

MOUNT LAUREL, N.J. – Association Headquarters, Inc., a leading association management company based in Mount Laurel, N.J., is pleased to announce the International Energy Credit Association (IECA) as a new client partner.

Association Headquarters, Inc. (AH), an association management company with more than 30 years of experience, will provide full service management to the IECA. This new strategic partnership will help IECA to achieve its goals of increasing visibility, expanding membership recruitment and development, and bringing more benefits to its members.

Through this new partnership AH will provide the IECA with a full range of management services, including: executive and administrative support, financial management, marketing, communications, and membership services. In addition, AH will bring its extensive experience in the areas of executive and strategic management to support IECA's strategic initiatives.

“We are very excited about this new strategic partnership,” said Denis Vermette, President of IECA. “I feel confident that with AH's leadership and guidance we will take IECA to the next level.”

The IECA is an international organization of credit and financial management professionals whose goal is to provide a forum for the free and open exchange of ideas and discussion of issues relevant to credit and financial management of the energy industry.

A leading association management company since 1978, Association Headquarters provides associations, voluntary organizations, and medical societies with professional management services tailored to the needs of membership.
